PA104

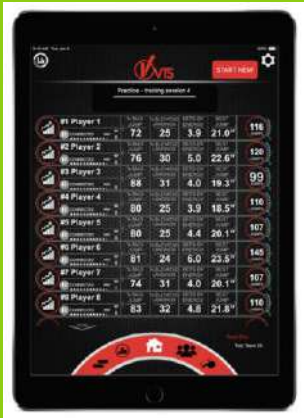

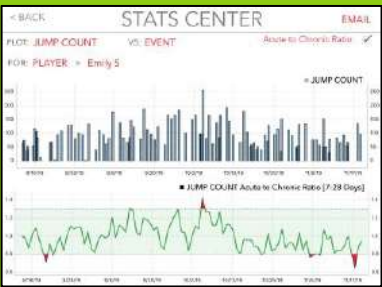

VERT sensor hardware (incl. Sensor, belt, charger)

The best scientific solution to improve the performance and health of volleyball, basketball and handball players.

Used by more than 450 teams all over the world, including the American volleyball national team.

Helps to develop training plans in a strategic way that ensures that your team is in its best shape on match day.

Creates accurate and objective statistics available in real time (during a training or match) for the entire team and tracks up to sixteen (16) players through the iPad.

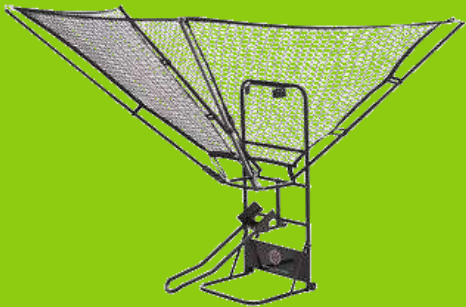

Performance Analysis & Enhancement		
PA105	BLAZEPODS For sports professionals challenging activities, competitions and tests. A smart light-based reflex training system that brings an element of competition to workouts, offering a fun way to improve your agility, balance, coordination, reaction time, and strength. Imported from: USA	
PA106	WITTY Microgate Wireless Training and Testing Timer. Comes with a variety of preconfigured tests, used in athletic preparation (including sprint, shuttle, endurance, and course). Imported from: Italy	
PA107	POLAR Heart Rate Sensor Built-in memory for heart rate data, which can be transferred to other training apps. Compatible with top fitness apps, sports and smart watches, gym equipment and many other Bluetooth and ANT+ devices. Warranty: 1 year.	

Performance Analysis & Enhancement		
PA108	GARMIN ForeRunner 245 Heart Rate Monitor GPS Smartwatch, tracks stats, crunches the numbers, performance, running form, training and goals. Warranty: 1 year.	
PA109	GARMIN Heart rate belt (HRM-run) Provides 6 running dynamics metrics: Cadence (number of steps per minute), Vertical oscillation, Ground contact time, Ground contact time balance, Stride length, and Vertical ratio Warranty: 1 year.	
PA110	Casio Stopwatch HS-80TW Battery life: Approx. 5 years Stopwatch 1/1000-second stopwatch Measuring modes: Elapsed time, lap time, split time, 1st-100th place time, lap counter (up to 99). Memory capacity: 2 sets of 100 records each. Accuracy (stopwatch): 99.9988% Imported from: Japan	

Handball, Volleyball and Basketball Equipment		
HVB102	Handball Goal Net 2mm – Pair (3 x 2 m) Made of strong heavy duty knotted white twine 100mm (4 inch) square mesh Imported from: England	
HVB103	Volleyball Post made of galvanized steel with underground sockets and adjustable height. Imported from: Italy	
HVB104	Volleyball Official Net (replacement) 9.5m Imported from: Italy	

Handball, Volleyball and Basketball Equipment		
HVB105	Volleyball Training Machine Air-propelled machine can be set to toss up to 1200 balls per hour. Ball Feeder holds up to 10 balls at a time. Quickly tilts with the turn of a knob, to easily simulate sets, passes, hits or serves. Remote control Long lasting battery (6-8 hours). Used by Team USA. 5 years warranty. Imported from: USA	 
HVB106	Volleyball Coach tactical folder, with erasable marker and magnetic pins. Size 23x36cm Imported from: Italy	
HVB107	Slalom Poles with Bases Suitable for all sports training on indoor surfaces. 2 Heights slalom poles come with a spring back feature and heavy-duty rubber bases. Imported from: England	

Handball, Volleyball and Basketball Equipment		
HVB108	Indoor/Outdoor Adjustable Training Hurdles For speed and agility training, can be used in different configurations, available in 4ft or 5ft size. Comes with rubber bases. Imported from: England	
HVB109	Superdome Cones Hurdles Set Unlimited training combinations, innovative speed and agility hurdle set. All-surface cone and hurdle package can be arranged in a multitude of combinations. Imported from; England	
HVB110	Court Vision Dripping Goggles Forces player to look up while dribbling, to improve reaction time and more confidence of player. Imported from: Italy	
HVB111	Hands-up Mannequin Portable, lightweight adjustable telescoping pole (from 198 cm. to 243 cm.). Weighted base. Imported from: Italy	

Handball, Volleyball and Basketball Equipment		
HVB112	Ball Return System To make shots return easy during training. Rotating 360 degrees. Imported from: Italy	
HVB113	FIBA Approved Basketball Net, manufactured from weatherproof 5mm thick nylon braided twine, suitable for 45cm rims. Imported from: Italy	
HVB114	DR.DISH IC3 SHOT TRAINER • Easy Indoor/Outdoor setup. No tools required. Easy setting for all players of all ages in a few minutes. • Proper ARC shooting. Special design to force players to use correct form, for continuous improvement with every practice. • Increase of shooting percentage. By taking more practice shots with the correct form, you can expect an increase of the player game day performance. • Developing muscles memory. Practicing quality shots in a quick succession, helps to train the player's muscles to remember and use correct form.	

Handball, Volleyball and Basketball Equipment		
HVB115	DR.DISH ALL-STAR+ • 8" Real touchscreen for easy programming • 250+ Drills and workouts from pro NBA trainers and USA D1 coaches • Built-in goal-setting features to motivate players to make, take, or streak a certain number of shots. • See live and post-workout metrics that showcase performance like makes, takes, streaks, and shooting percentage. • Build and save up to 20 easy-access drills on your machine. • Fully programmable, to any spot on the court. • Track every made and missed shot with our high-accuracy mechanical shot counter.
